***DEDICATION***

Take a pair of deep hazel eyes and add that distinctive crew cut...mix that low, calm voice and add the pep and determination he puts in all his classes (including the noon hour slide rule class)...blend with constant friendship...shake in that broad smile...measure the hours he spends in supporting and coaching our many school activities...combine understanding and fair play...follow directions carefully to Mr. Joseph Hoch to whom we dedicate "The Echo" for 1960.

## Class History

On September 4, 1956, twenty timid little freshmen entered the doors of G.H.S. There were ten girls, Rhea Burbey, Arlean Duda, Anita Fisher, Berta Immel, Judy Kirk, Mary Millan, Helen Imhoff, Doris Lee, and two boys, Dennis Tomaszewski and Robert Stefanski.

First, we elected our class officers, as follows: Dennis, president; Roy, vice-president; Anita, secretary; Rhea, treasurer. Shortly afterward, there was a very memorable day, known as "Initiation Day." This, most of us will never forget as it certainly was fun. Our first float, "We'll Sail Through 'Em" took a second place. The Seniors was well planned and enjoyed by everyone who attended. At the banquet, Dennis our class officer, we shared as our first year at Goodman High came to a close.

Starting our Sophomore year, we felt like old pros, as we had our officers elected: Dennis, president; Roy, vice-president; Anita, secretary; Rhea, treasurer. Our float, "We'll Sail Through 'Em" took a second place. The class sponsoring the "Snowball" selected Lillian and Dennis to be in the court. On the prom night, they played their many different and interesting talents. Lillian and Dennis were in the prom court. Then one nice spring day, we planted trees at the school forest. At the banquet that year, Lillian relayed the years events to everyone, as we met the halfway mark of our High School Days.

As our Junior year began we elected Dennis, president; Richard, vice-president; Anita, secretary; Rhea, treasurer. We had two band members; Lillian and Dennis, Rhea and Anita were majorettes. As 1959 began, we began working on our prom "Blue Hawaii", which was the biggest event of the year. The prom turned out to be very successful. We give our many thanks to Lillian and Dennis for their many talents. The prom was a very exciting and interesting one.

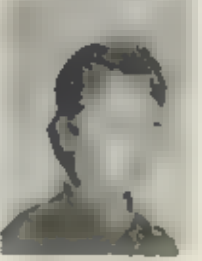

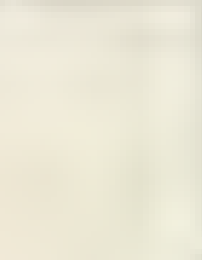

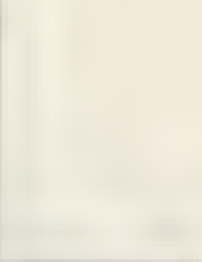

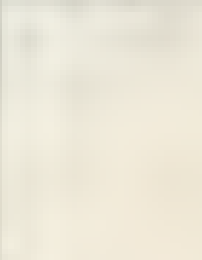

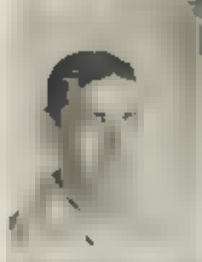

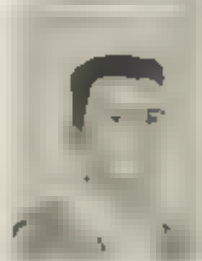

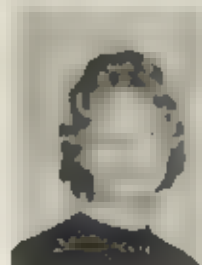

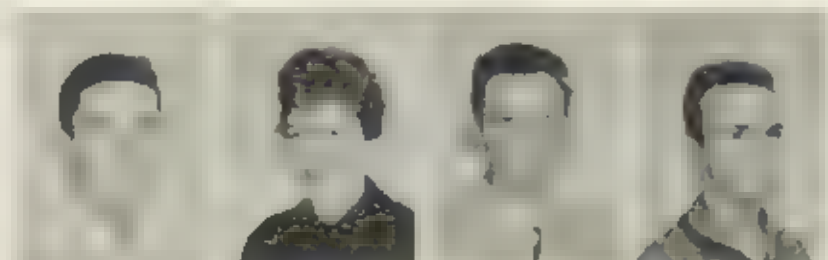

Our Senior year started out with a bang. Our class officers were Dennis, president; Richard, vice-president; Anita, secretary; and Mary as our treasurer. Lillian was vice-president of the Student Council. We began our first big event, "We Smell Defeat" which unfortunately was not successful. The Yearbook Josie and Dennis so they could start things early. Soon after, the rest of the annual "Ad Hunting" in the local towns and villages. In the beginning of October, we had our pictures taken. We'll have to agree that pictures can do wonders for one's self. Lillian received the DAR award and Berta got the Homemakers of Tomorrow award. Our class play, a three act comedy "Three Fingers In A Door" was put on on April 1 in Goodman. On our class trip, we went to Milwaukee. Baccalaureate was held May 20. On May 27, 1960, eighteen serious minded Seniors marched down the aisle and took their seats to hear many fine speeches, two of them given by their classmates, Berta, Valedictorian and Josie, Salutatorian. After receiving our diplomas, we were, at last, on our own.
